Pure

We source our teak from sustainably harvested, Forest Stewardship Council® certified (FSC-certified®), and reclaimed sources in Indonesia. We will not purchase Burmese teak due to the genocide of its own citizens, the mistreatment of indigenous cultures, and the trashing of forests for profit in Myanmar.

Our goal is to help you shine, ensuring your project goes smoothly from start to finish. By inventorying & milling our products in New York & Oregon, we can remove obstacles so you can hit tight schedules and budgets. Here's our promise in a nutshell:

- On time, your time, every time.
- We mill for precision, grade for quality, and dry for stability—assuring you a headache-free job site.
- Let us pre-finish your order and save you install time. We have standard oils, polys, and nano options.
- If you have questions about delivery, acclimation, installing, or finishing—call us, we speak construction.
- We source and mill in-house giving us buying power and control; giving you competitive pricing.
- Your whole-project solution: With full in-house drafting, design, and custom woodworking should you need it.
